James Suckling 87 January 2020

When Martine Cazeneuve purchased Château Paloumey in 1990, in partnership with the company François Charles Oberthur, her goal was to revive a forgotten château with a prestigious terroir located next to the famous Châteaux La Lagune and Cantemerle. Replanting the vineyard and rebuilding cellars have been a tremendous challenge to achieve the highest quality possible for Paloumey wines. After years of hard work, commitment and passion, the estate was brought back to life and now extends over 34 hectares. Since 2015, Pierre Cazeneuve has joined his mother Martine to manage the château. He started the conversion of our vineyard into organic farming. Always striving for excellence in winemaking and viticulture, Château Paloumey is known for its elegant style and is one of the leading wines of the appellation.
